## CORE COMPETENCIES

The Plastic Factory is a Connecticut based small business located in Bridgeport, CT. We are a full service plastics distribution and fabrication company offering a full range of plastic materials and accessories for all your engineering and construction needs. We offer a wide variety of sizes and shapes which include sheet, rod, tube and film.

We will always take the time to help you chose the right plastic for the right application. We are able to fabricate displays, food bins, cubes and covers of all kinds and much more. Our computerized cutting (CNC) machine is second to none. Customer service, quality products and a committed and experienced staff willing do whatever it takes to provide the attention to detail that ensures customer satisfaction.
